centuries part of Syria. ”Palestine is
alien to us.”

**WHAT IS THE REAL PROBLEM IN
ISRAEL TODAY.**

WHAT IS THE REAL PROBLEM IN ISRAEL TODAY.

It is all about Israel's right to survive as
a nation.

Reasons Why Israel Has a Right To The Land

All the archeological evidence supports it. Every time there is a dig in Israel, it does nothing but support the fact that the nation have had a presence there for over 3,000 years. The coins, the cities, the pottery, the culture. There is no mistaking the fact that Israelis have been present in that land for 3,000 years. It predates any claims that other peoples in the region may have.

Reasons Why Israel Has a Right To The Land

History supports it.

Despite the fact that Israel has been conquered and dispersed by Assyria, Babylon, and two Roman dispersions.

There has always been a continual Jewish presence in the land for over 3000 years.

Reasons Why Israel Has a Right To The Land

THE KORAN SUPPORTS IT.

Sheikh Ahmad Adwan is a Muslim scholar who lives in Jordan, said on his personal Facebook page “there is no such thing as “Palestine” in the Koran.” “Allah has assigned the Holy Land to the Children of Israel until the Day of Judgment.” (Koran, Sura 5 – “The Sura of the Table”, Verse 21), and “We made the Children of Israel the inheritors (of the land)” (Koran, Sura 26 – “The Sura of the Poets”, Verse 59).

Reasons Why Israel Has a Right To The Land

THE KORAN SUPPORTS IT.

"I say to those who distort their Lord's book, the Koran: From where did you bring the name Palestine, you liars, you accursed, when Allah has already named it "The Holy Land" and bequeathed it to the Children of Israel until the Day of Judgment. Your demand for the Land of Israel is a falsehood and it constitutes an attack on the Koran, on the Jews and their land. Therefore you won't succeed, and Allah will fail you and humiliate you, because Allah is the one who will protect them (i.e. the Jews)."

Reasons Why Israel Has a Right To The Land

”The State of Israel will be open to the immigration of Jews from all countries of their dispersion; will promote the development of the country for the benefit of all its inhabitants; will be based on the principles of liberty, justice and peace as conceived by the Prophets of Israel; will uphold the full social and political equality of all its citizens, without distinction of religion, race, or sex; will guarantee freedom of religion, conscience, education and culture; will safeguard the Holy Places of all religions; and will loyally uphold the principles of the United Nations Charter.”
